Sri Lanka Women tour of South Africa (2024)
Drawn ODI series in South Africa

195 not out off 139 balls, as Sri Lanka became the first women's team ever to chase down a target of over 300 (a milestone the men's team had also been the first to achieve, way back in 1992)

Atapattu's unbeaten 195 is,

The highest while chasing in women's ODIs, bettering Meg Lanning's 152* against Sri Lanka in 2017

The third-highest individual score in women's ODIs, behind the double hundreds by Amelia Kerr (NZ-W) (232* vs IRE in 2018) and Belinda Clark (AUS-W) (229* vs Denmark in 1997)

Beat South Africa in the T20I series (2-1)

3rd T20I: She scored 73 runs for 46 balls

Chamari was only a late call-up to the last WBBL, but wound up being the player of the tournament there.
